## Sigma Hour of Code

- We partnered with Microsoft Corporation to offer free training/workshops.
- Microsoft Corporation link is: <u>https://www.microsoft.com/en-us/store/workshops-training-and-events/</u>
- Continue to push in schools, Youth groups, and Sigma Beta Clubs (SBC).
- We have two opportunities to gain knowledge on a very lucrative job skill.
- Currently working with IHQ Director of Education to have activity listed under the IHQ Education program.

## Here are the steps to follow:

1. Click on the link. It will take you to Microsoft Virtual workshops & training.

2. Click on " Students and Families" tab.

3. Scroll half down the page to Choose your adventure. Click on "Stem & Coding" or Coding workshops.

4. Click on search by date for a class day or see all.

5. Choose one of the classes displayed and a time zone from the drop -down arrow (Eastern, Central, Pacific, Mountain).

PHI BETA SIGMA FRATERNITY, INC.

6. Click on register now.

- 7. Fill in the required information and register.
- 8. You will receive zoom instructions in a separate email.
